

ANISH RAMCHANDRA JADHAV

MSc IT – Cloud Computing | Aspiring Full Stack Developer

Maharashtra, India | [Phone: +91 8767267329] | [anishjadhav989@gmail.com]

CAREER OBJECTIVE

Motivated MSc IT student specializing in Cloud Computing and aspiring to start a career in Full Stack Development. Possess foundational knowledge of **HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, SQL, REST APIs** and **Git/GitHub**. Looking for a Full Stack Developer Internship to gain hands-on industry experience, contribute to real-world projects, and develop strong software development skills.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, SQL

Programming: JavaScript, Python

Tools: Git, GitHub, VS Code, Postman

Other: CRUD Operations, API Integration, DBMS, OOP, Cloud Computing

ACADEMIC PROJECTS

College Event Management System

Technologies: Node.js, Express.js, MongoDB, HTML, CSS, JavaScript

- Developed an academic web application for managing college events and participants.
- Created frontend pages using HTML, CSS and JavaScript.
- Developed backend functionality using **Node.js and Express.js**.
- Used **MongoDB** for storing and managing application data.
- Implemented CRUD operations for events and participant information.

- Worked with backend APIs and frontend-backend integration.
- Designed modules for event registration and e-pass generation.

AI-Based Intelligent Cloud Resource Allocation & Auto-Scaling

Technologies: Python, JavaScript, AI/ML, Cloud Computing

- Developed an academic project concept for intelligent cloud resource monitoring.
- Designed a dashboard to monitor CPU and memory utilization.
- Implemented workload prediction concepts for future CPU usage.
- Designed an automated scaling decision mechanism based on workload.
- Applied concepts of **cloud scalability, auto-scaling, resource allocation and cost optimization.**

EDUCATION

Master of Science in Information Technology – Cloud Computing

[B.K.Birla College Kalyan] | [University of Mumbai]

2026 – Present

Bachelor of Science in Computer Science

[Sonopant Dandekar College ,Palghar] | [University of Mumbai]

CGPA: 7.12

RELEVANT COURSEWORK

- Web Technologies
- Full Stack Web Development
- Database Management Systems
- Cloud Computing
- Object-Oriented Programming
- Data Structures
- Computer Networks
- Software Engineering

- Python Programming
- Artificial Intelligence & Machine Learning

STRENGTHS

- Problem-solving
- Quick learner
- Willingness to learn new technologies
- Debugging and logical thinking
- Team collaboration
- Adaptability
- Good programming fundamentals

INTERNSHIP OBJECTIVE

Seeking an entry-level **Full Stack Developer Internship** where I can apply my academic knowledge, work with experienced developers, learn professional development practices, and contribute to building responsive web applications, backend services and database-driven solutions.
